

Summer Haze

2024-06-05 - 2024-07-31

About the Exhibition:

The exhibition titled "Summer Haze" presents Summer with all its sentiments through the eyes of the exhibited creators.

Exploration on Summer themes and how an artist brings about Summer feelings through their work is explored in the exhibition.

The exhibition brings together an amazing number of accomplished and talented artists and photographers. The Summer haze delivered in varying abstracted styles and mediums. Nostalgia and memories take center stage to Summer days well spent under the sun.

About the concept:

Elements of Summer such as the Sun, the fun, the tranquil vacation days by the blue sea, the heat, the haze, the easy ways of the lazy Summer days are presented in imaginative and innovative ways via the artists' eyes.

In its essence, the exhibition is a dreamer's take and a flyover of Summer days that are fleeting, ephemeral and subsequently fading.

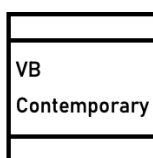

Artists in the exhibition are:

Amber Lauder, Kazu Saito, Jason Rafferty, Gabriela Horikawa, Juan Canals, Sigrid Thaler, Satoshi Morita, Lisa Kachajian, Katsumi Ishikawa, Zoltán Vadász, Vian Borchert

Concept and curated by Vian Borchert.

Exhibition Dates: June 5 - July 31, 2024
